

## GL8131 Unisex Windbreaker with Hidden Hood and Self-material Bag

### Short Description:

This is a promotional windbreaker for both men and women, with fabric of 190T polyester with PA coating.

### Product Introduction:

It's a classic windbreaker for adult. The outlook is very simple with a self-material bag. The windbreaker jacket can be folded by a small bag and we can put logos on this bag.

The fabric is 100% polyester with PA coating. There is elastic string at hood to adjust and the cuff is adjusted by elastic rubber. We can make screen printing logo or heat transfer printing logo on chest or back. We have many different colors, like blue, red, black, grey, royal blue, yellow, etc. You can send us lab-dips for color check.

### Product parameter:

|             |                                                           |
